TD SUMMER READING CLUB MEET-UP

>>150 LIBRARY MAKERS

#### **Mad Science**

##### **Magnets Workshop**

Invisible Forces: What are the differences between electrostatic and magnetic forces? In our workshop all about invisible forces, we'll make indoor lightning, learn about poles, magnetic domains, and the attraction of opposites. And in the end, we'll combine electricity and magnetism to make the most powerful magnet of all. Supported by the Province of Nova Scotia in partnership with the Department of Communities, Culture, and Heritage.
