PROGRAM LISTINGS

Adult

Discover Heart Health

February is Heart Month. Show love to yourself and your family by attending this interactive talk led by residents from Dalhousie University's Adult Cardiology program. Learn about risk factors for cardiac disease, symptoms of coronary artery disease, and potential treatments, including lifestyle changes, medication, and interventions, such as stent procedures and surgery. Join us in the lobby between 10 a.m.-2 p.m. to get your blood pressure checked and learn more about your heart health. In partnership with Nova Scotia Health Authority.

Fri, Feb 2/12 PM-1 PM

Acoustic Song Circle

Budding and experienced musicians, you are invited to join our monthly musical gathering. We welcome all types of acoustic instruments and invite people with all skill levels to share their music with others. Bring copies of songs, including guitar chords, if possible, so that other participants can join in the song. Please bring your own instrument, your singing voice, or just your admiration for good music.

Sat, Feb 3/2 PM-4 PM

Tomi Allen's "TREE OF DREAMS"

A Solar Concert for a Sustainable Future

Presented by Tomi Allen (musician, engineer, solar/sustainable energy researcher) this event will showcase music, energy technology, and dreams for a sustainable future. Featuring local musicians, leading-edge researchers, and special guest Mi'kmaw artist Alan Syliboy.

Sat, Feb 3/2 PM

Yoga Flow

Connect to your breath, play with balance, build strength, and increase flexibility. This session is suitable for all levels and great for beginners. Please bring a mat.

Sun, Feb 4/2 PM-3 PM

Food for One or Two, Part 1 of 2

Get inspired to start cooking healthy meals for one or two at home. You will get quick and easy resources and recipes for one or two people. There will be no cooking in this program. To register, please call 902-487-0272. In partnership with Halifax Peninsula Community Health Team.

Mon, Feb 5/10 AM-11:30 AM

Small Business Cafe Networking

Special Guest Emo Ikede

Meet, learn, and share your experiences and issues with other small business owners like yourself. Bring your business cards and get ready to connect. Discover resources to find answers to your questions. Our guest speaker, Emo Ikede, is the founder of EjiTech Group, a book author, and an editor of a personal finance blog. He will be sharing his experience using free or low cost technology tools to reach more customers, improve marketing, and reduce operating costs.

Mon, Feb 5/6:30 PM-8:30 PM

Pushing Boundaries: A Film Series About What We Owe Other Animals

Blackfish

Rated PG-13

Do animals deserve to be treated by us with care, compassion, and respect? Are there any relevant differences between us and them that could justify treating them differently from how we should treat one another? Movies both shape and reflect our beliefs in these matters. Come view these topical films and join the discussion facilitated by experts in animal ethics, psychology, biology, and behavioural sciences. In partnership with Novel Tech Ethics, Faculty of Medicine, Dalhousie University.

Type Night in Canada with Rod McDonald, Type Maker and Designer

From good old-fashioned gossip to documented evidence, type designer and amateur historian Rod McDonald will take you through the surprisingly rich and varied history of type in Canada. You will see the work of some remarkable Canadian talent, some well-known internationally, some barely known within our own country, and some soon-to-be well-known everywhere. Rod MacDonald also intends to set the record straight on a few typefaces and their designers, so be prepared to be both informed and entertained. In partnership with the Carl Dair Typography Workshops.

Tue, Feb 6/6:30 PM

Inventing from an Inventor's Perspective

Join Archie Gillis, Business Counselling Coordinator at Entrepreneurs with Disabilities Network, for a talk on inventing from an inventor's perspective. Inventing can be an expensive undertaking. During this workshop Archie Gillis will share his own experiences as a do-it-yourself inventor. His patented works have been cited by companies, such as IBM, Canon, Auxocell Labs. There will be a Q&A, descriptions of his processes, methods for saving money, cautionary tales, product and process engineering discussions, local resources, and more. In partnership with Entrepreneurs with Disabilities Network.

Sun, Feb 11/2 PM-4 PM

Book Club

***The Underground Railroad*, by Colson Whitehead**

As Colson Whitehead brilliantly re-creates the unique terrors for African-Americans in the pre-Civil War era, his narrative seamlessly weaves the saga of America from the brutal importation of Africans to the unfulfilled promises of the present day. *The Underground Railroad* is at once a kinetic adventure tale of one woman's ferocious will to escape the horrors of bondage and a shattering, powerful meditation on the history we all share.

Sun, Feb 11/3 PM-4 PM

Food for One or Two, Part 2 of 2

Get inspired to start cooking healthy meals for one or two at home. You will get quick and easy resources and recipes for one or two people. There will be no cooking in this program. To register, please call 902-487-0272. In partnership with Halifax Peninsula Community Health Team.

Mon, Feb 12/10 AM-11:30 AM

THE RADICAL IMAGINATION PROJECT

No Reconciliation Without Justice: White Supremacy, Anti-Blackness, and the Struggle for Reparations

Canadian settler society is enamoured with the idea of reconciliation with Indigenous, Black, and other marginalized peoples, but much less interested in serious discussions grounding this reconciliation in material questions of justice. What would it mean to build a reconciled society rooted in a just settling of accounts, including reparations for historical and ongoing injustice and violence for Black Canadians? Join us for a panel discussion focusing on the struggle for reparations for Black Canadians and the promise of collective liberation featuring Dr. Afua Cooper, Dr. Chike Jeffers, El Jones, and Dr. Isaac Saney. Moderated discussion to follow. In partnership with The Radical Imagination Project.
