Living with Aphasia

June is Aphasia Awareness Month. Aphasia is an acquired disorder that affects a person's ability to use and comprehend language. The result of a stroke or head injury, aphasia does not affect intelligence, but can compromise speech, writing, reading, and understanding of spoken words. Hear from Judy Arbique, who had a stroke in 2008, just a few months before her 50th birthday. Although she is not an expert on aphasia, Judy is an expert on her aphasia and the challenges she faces on a daily basis. In partnership with Aphasia Nova Scotia

Tuesday, June 12
6:30 PM - 8:00 PM
Room 301

The Right Stuff for the Right Whale

This is the story of doing the right stuff for the North Atlantic Right Whale. It is about the right stuff that has been done and must be done to prevent the possible extinction of one of the most endangered large baleen whales in the world...in our lifetime. The decline is mostly due to human-caused deaths. This talk will focus primarily on vessel strikes and the story of what science and technology can do to minimize the risk. Featuring Dr. Christopher Taggart, Dalhousie University In partnership with Canadian Meteorological and Oceanographic Society; Marine Environmental Observation Prediction and Response; Government of Canada; Dalhousie University; Canadian Whale Institute.

PROGRAM LISTINGS

What is Permaculture?

With Jenn Stotland, gardener and permaculture designer. Permaculture is a landscape design system that evolved around the world in response to the oil shocks of the 1970s. Permaculture allows us to reduce work and pollution by working with nature, not against it. It provides a way for us to take responsibility for our existence in the world, taking part in nature to nurture and regenerating the systems we depend on.

Greta Gerwig Film Series: The House of the Devil

Rated R | 2009 | 1h 35min. Featuring an introduction by Mark Palermo, a screenwriter and freelance journalist. College student, Samantha Hughes takes on a job as a babysitter in a remote country home. But something is wrong. The pay is too high. There is no child. Samantha soon realizes that she is trapped. As a lunar eclipse approaches, Samantha's employers prepare to carry out a horrific plan with her at the center. In this horror "fright flick" throwback, Greta Gerwig plays Samantha's best friend Megan, who gives her a ride out to the house, and reluctantly leaves her there despite suspecting that something is amiss.

BreakSpace

Ages 8 to adults. Join the Library in helping grow Dance Nova Scotia's BreakSpace. This Breaking ("Breakdance") workshop is open and free to all. Participants are welcome to drop in or stay for the whole session. Supported by the Cultural and Youth Activities program of Department of Communities, Culture, and Heritage, and presented in partnership with Dance Nova Scotia.

Tuesdays | Tuesday, June 5

6:30 PM - 8:30 PM

Lindsay Children's Room

The Hangout: Angry Birds Live Action

Ages 8-12. An active program to test your Angry Bird skills. Play Angry Birds with life-sized blocks and birds or on our giant video game screens. Plus, there will be craft supplies, and snacks.

Thursdays | Thursday, June 7

3:30 PM - 4:30 PM
