

What Happened?

Written by Violet De Souza

One evening on November 4 1756, Igor and his father were arriving at their new house in Derbent city, Their house was at the top of a hill surrounded by woods. When they got to the top of the hill Igor saw a shadow, having no idea what it was. "Papochka I saw a shadow." Said Igor.

His father replies "I'm sure it was just a bird."

Igor and his father entered the house. His father told him to go into the woods, so Igor went off into the woods.

After walking for so long Igor heard a sound and ran but when he looked behind him there was a little girl. "Hey you scared me". Igor said.

"Are you new in Derbent? I don't recognize you." The little girl said.

"Yes I'm new here, my name is Igor Smirnoff. What's your name?" He said.

"My name is Karine!" She replied.

"Nice to meet you Karine but I have to get home for dinner, my papochka is waiting. I'll meet you here tomorrow." Said Igor.

"Okay, see you tomorrow!" She said.

Igor hurried home, as he opened the door he smelled his father's famous flounder and chicken. He sat down and his father asked him what he was doing in the woods, Igor said he met somebody. After dinner he and his father had a nice warm cup of green tea. Igor and his papochka went to bed after a nice tea. After he fell asleep he saw Karine standing in his window smiling at him, then she looked mad, very, very mad!

In the morning, Igor went downstairs for breakfast. His father said, "How was your sleep Igor?"

"I had a horrible nightmare about the girl I met in the woods yesterday." Said Igor.

His father said, "Well it was just a dream.

"Yeah." said igor

The following day he ran into Karine on the road where he told her about the dream he had the night before.

"It wasn't a dream, I was there watching you." She said.

Igor laughed, and said " You're funny."

"I am aren't I." She said.

Karine and Igor went out for lunch together.

They hopped on their bicycle and went down the hill. At the bottom of the hill there was an old house, the old house had a swing in the front yard. The swing looked very old and rusty.

"I used to live there". Said Karine

"Wow, that house looks so old and run down. Who would ever live there?!" Igor laughed.

"How dare you! That was my house, I don't want to go for lunch with you anymore!" Karine said angrily.

Igor biked home all alone.

When he got home he was curious about the house at the bottom of the hill, so he went there. Igor slowly entered the house, as he walked in he heard a noise coming from upstairs. Then he saw Karine.

"You came." said Karine

Igor said "I'm just gonna leave."

"You're not going anywhere." she said as she lunged towards him.

Igor ran downstairs and hid in the basement with Karine close behind him..... but never came out.

217 years later in 1973 a new family moved into the house. They were renovating the house when they found the skeleton of a boy in the drywall of the basement.....What happened.
